Alternative Assessment Information

- You **_MUST_** use your own copy of this assessment from Canvas. If you obtained this assessment document from a friend or elsewhere then delete this copy and use your own version from Canvas. If you experience difficulties to download the assessment, get in contact via the emails below.

- This is an open-book assessment. This means you may use your notes, textbooks, and other resources, including calculators. Copying from resources other than your notes requires referencing.

- You must submit before the deadline. Allow some spare time for technical submission issues.

- The total time for this assessment is 3 hours. This assessment is designed to be sat in a 2-hour window. An additional hour allows you time for accessing the paper, uploading your submission, and dealing with technical issues.

- It is suggested that you use Microsoft Word (or any other editor of your choice) to type your answers, then save as PDF when you are ready to submit. All submitted text (and code if present) must be word-processed. You may include images (or photos of hand drawn images) as part of the document.

- This is an individual assessment. Under no circumstances are you to discuss any aspect of this assessment with anyone; nor are you allowed to share this document, ideas or solutions with others using email, social media, instant messaging, websites, or any other means. Your attempts at these questions must be entirely your own work. Those found to have collaborated with others will receive a mark of 0.

Special Instruction(s)

- Answer all questions.

Submission Instructions

- Please submit a **single PDF** file **named as your student number followed by the module code** (e.g. 123456-CSC789.pdf) via the submission link located on the module page in Canvas.

By submitting, electronically and/or hardcopy, you state that you fully understand and are complying with the University's policy on Academic Integrity and Academic Misconduct. The policy can be found at https://myuni.swansea.ac.uk/academic-life/academic-misconduct.
